THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) Paddy, Tapioca, Pineapple, Turmeric, Ginger and Banana crops have been notified by the Government of Kerala under National Agricultural Insurance Scheme (NAIS).

(b) and (c) Kerala Government has requested for inclusion of perennial crops like coconut, pepper, cashew, arecanut, ruber etc. in the NAIS.

However, perennial crops, at present, are not covered under NAIS on account of multi-picking nature of these crops and non-availability of adequate yield data.

Joint Group constituted by the Government to suggest improvements required in the existing crop insurance scheme, has examined all the relevant issues including coverage of perennial crops under NAIS and has recommended extension of insurance cover to perennial horticultural crops. Keeping in view the recommendations of the Joint group, the Government, at present, is engaged in the process of reviewing NAIS.

Agriculture Service Centres

†1191. PROF. M.M. AGARWAL: Will the Minister of AGRICULTURE be pleased to state:

(a) the details of the Agricultural Service Centres set up in the country, specially in Uttar Pradesh, State-wise/district-wise;

(b) the State/districts in which the target for setting up such centres has been fixed during 2005-2006 and whether any success has been achieved regarding these targets; and

(c) the details of the funds earmarked for this purpose during the Tenth Five Year Plan alongwith the amount spent, so far, in this regard, State-wise/district-wise?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) to (c) 9461 agricultural graduates have been trained under the Central Sector Scheme "Establishment of Agri-Clinics and Agri-Business Centres (ACABCs) by Agricultural Graduates" till 31.1.2006, of which 2739 have set up Agri-Clinics/Agri-Business Centres. The State-wise details of such Centres is given in Statement-I (*see* below).

† Original notice of the question was received in Hindi.

The list of Division-wise Agro Service Centres set up by Uttar Pradesh Agro Industries Corporations Limited in the state are given in the Statement-II (*See* below).

The National Institute of Agricultural Extension has the target of training 3500 Agriculture Graduates during 2005-06 under the scheme for the establishment of Agri-Business and Agri-Clinic Centres.

Rs. 4411.25 lakh have been allocated for this programme during the Tenth Plan out of which Rs. 2842.45 lakhs has been released to the implementing agency i.e. National Institute of Agricultural Extension, Hyderabad for conducting training activities of the scheme.

Increasing organic production

1192. SHRI R.S. GAVAI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that in the changing scenario of increased health consciousness among people, the demand for the organic produce and its products is increasing; and

(b) if so, the steps Government propose to take to increase the organic production?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) Yes, Sir.

(b) To promote organic farming in the country, Government has approved a Central Sector Plan Scheme, National Project on Organic Farming with an outlay of Rs. 57.05 crores from October, 2004 for production, promotion, certification and market development of organic farming during 10th Plan period with the following main components:—

(i) Putting in place a system of certification of organic produce.

(ii) Capacity building through service providers.

(iii) Financial support for commercial production units for production of organic inputs like fruits and vegetable waste compost, bio-fertilizer production and hatcheries for vermiculture.

(iv) Training, field demonstration, promotion and market development.

Besides, under National Programme on Organic Production (NPOP),
